John Hudson

Derek Casto

and all who provided door prizes.

Those present raised \$200 for the Charleston area Toys for Tots program.

All of the remaining food from the Banquet was donated to Christ's Kitchen at St. Marks's Episcopal Church in St. Albans. Christ's Kitchen serves free meals to those in need five days a week, including holidays.

<http://kvfoa.org/kvfoa.org/Christ'sKitchen20131122.pdf>

Whenever we can come together as an organization, reconnect with our VIPs, have great food, recognize officials for achievements and milestones, distribute prizes, raise money to offset expenses...all while not forgetting those less fortunate than we are...that's a great event.

Three people who always attended the Banquet if it was possible:

Greg Wyatt (passed away January 28th)

Bill Winters (passed away November 4th)

John Giles (passed away November 9th)

We remembered Greg in the first three weeks of varsity games in 2015 by wearing black arm bands.

We will remember Bill and John in the first three weeks of varsity games in 2016 by wearing black arm bands.
