

On December 18th, Mike Beller and John Hudson delivered a check for \$300 to the Marine Corps for their Toys for Tots campaign in the Charleston area. This money was raised through donations and a 50/50 drawing at our Banquet on December 11th.

Pictured with Mike and John is Lance Corporal Heath A. Ware. Lance Corporal Ware is a native of Union, West Virginia. He is a 2007 graduate of James Monroe HS and played football under Head Coach David Witt. Lance Corporal Ware has just returned from a tour of duty in Iraq.

Lance Corporal Ware says they budget about \$20 per toy so the donation will make a lot of children happy. He also commented that this donation was most appreciated since total donations have been down this year.

Thanks to all who made this donation possible.
