

## HEMMING THE BLACK PANTS

### RECOMMENDATIONS FROM TERRY RINGER AT THE OFFICIAL CALL

We recommend that the pants be hemmed as follows:

Note - when getting your pants hemmed, you should have them on, wearing your black belt where you normally do, and have your football shoes on.

- 1) Front hem should be between middle of laces on low cut shoes
- 2) back hem should be where the shoe meets the sole when you are standing straight up.
- 3) **BLACK SOCKS!!!**
