Re: Profanity

MSAC principals voted on and passed a rule regarding profanity by players and coaches. All coaches at each school have been notified of this decision. We are now asking officials to help us enforce this rule.

During athletic events **between MSAC schools**, you are asked to warn team captains that profanity will not be tolerated during the event by either players or coaches. Please remind them that unsportsmanlike conduct penalties will be enforced.

Please keep me informed of all profanity penalties. Thank you for your assistance in helping the MSAC with this problem.
